

Stronger Yields,
Smarter Farming

ABOUT US

Welcome to Agribird, where innovation meets agriculture. We are a pioneering company dedicated to transforming the farming landscape with our advanced farming spray guns. Our mission is to empower farmers with the tools they need to enhance productivity, ensure crop health, and maximize yields. Agribird is committed to revolutionizing modern agriculture with cutting-edge farming spray guns designed for efficiency and precision.

With over a decade of experience in agricultural equipment, Agribird, a brand of Satyam Techwork Private Limited, has established itself as a trusted manufacturer of high-quality spraying tools and accessories. We take pride in offering innovative solutions that help farmers optimize their crop protection practices.

Professional Spraying Equipment

Agricultural Tools & Accessories

Our comprehensive range of products includes professional spray guns, pumps, connectors, and specialized agricultural tools. Every product in our catalog is carefully selected and quality-tested to ensure durability and optimal performance in the field.

OUR VISION

At Agribird, we vision a future where modern spraying technology transforms agriculture and industry, driving efficiency, sustainability, and progress. Our goal is to be a global leader in innovative spraying solutions, empowering farmers and industries with cutting-edge equipment that enhances productivity and ensures long-term reliability.

OUR MISSION

At Agribird, our mission is to empower farmers and industrial workers with reliable, efficient, and durable spraying solutions. We are dedicated to enhancing productivity in both agricultural and industrial applications through high-quality equipment. Our products are designed to ensure optimal performance, making spraying tasks easier and more effective.

CORE VALUES

We are committed to continuous innovation, developing advanced spraying solutions that improve efficiency and meet the evolving needs of agriculture and industry. We prioritize high-quality materials and rigorous testing to ensure our equipment delivers consistent performance, even in the most demanding conditions.

SSC161

16mm 1ft. SS Ceramic Spray Gun

Technical Specifications :

1. **Pipe Size:** 16mm
2. **Pipe Length:** 1ft./ 30cm/ 300mm
3. **Cone Cap:** Orange & Green Colour with 1.5mm Ceramic
4. **Pipe & Shaft Material:** Stainless Steel
5. **Thread Connection:** 1/2" Male & 14 X 1.5 Female

Functional Specifications :

6. **Spray Pattern:** Wide Spray & Long Spray
7. **Operate:** With back end lever handle

Packing Specifications :

8. **Packing:** Multicolor Laminated Single Piece Box Packing
9. **Carton Pack:** 30pcs per Carton
10. **Brand Marking:** Agribird
11. **Warranty:** Standard Manufacturing Warranty Included
12. **Support:** Additional Support on Sales & Marketing

Technical Specifications :

1. **Pipe Size:** 16mm
2. **Pipe Length:** 1ft./ 30cm/ 300mm
3. **Jet Cap:** Orange & Green Colour with 1.5mm SS Jet
4. **Pipe & Shaft Material:** Stainless Steel
5. **Thread Connection:** 1/2" Male & 14 X 1.5 Female

Functional Specifications :

6. **Spray Pattern:** Wide Spray & Long Spray
7. **Operate:** With back end lever handle

Packing Specifications :

8. **Packing:** Multicolor Laminated Single Piece Box Packing
9. **Carton Pack:** 30pcs per Carton
10. **Brand Marking:** Agribird
